Second Week of the January Sale of Muslin Underwear

Good value is the foundation upon which this Muslin Underwear Sale is built. High quality materials, careful sewing, liberality of size, and fine dainty trimmings of lace and embroidery are the characteristics of all the garments. And when added to these merits are the **LOWEST PRICES EVER QUOTED FOR EQUAL GRADES** is it any wonder that the bargains should attract the greatest number of purchasers that ever came to a similar sale?

But the giving of the unmatched values keeps pace with the buying—and so with replenished assortments we're ready with the second week's selling, beginning tomorrow morning.
